Five Lessons I've learned, in my 45 year career!

Five Lessons I've learned, in my 45 year career!

1. You can learn from anyone, and you should seek to, everyday!

3. If you think the quality of your work equals the quality of your life, sorry, you missed again!

4. Be prepared, but also be open to experience and embrace the unexpected!

5. Learn to laugh at yourself, get the jump on everyone else!

.....and finally, the greatest joy of life is giving....
the more you put into this craft the more it will give
back to you.

You will find yourself the recipient
of friends, experiences, and memories
that are worth far more than gold

Enjoy your journey!
